

## New York City Bus Trip—November 19, 2010

(Please note the bus trip is not sponsored by the ERC,  
it is only run out of the office by Barbara Harris.)

**Wicked** is the prequel of the *Wizard of Oz*. This incredible musical is about how the wicked witch of the west became wicked. She was completely misunderstood. The underlying theme is about prejudice and how we respond to each other through our differences. Our family went to see it in New York after having listened to the music from the musical for many years....which I would recommend you familiarize yourself with the music as it makes the whole experience rich. It is the best musical we've seen on Broadway! It makes you laugh.....and it makes you cry! — Colleen Gross

The cost of the trip will be **\$185.00 per person** which includes transportation and admission to the Broadway Show. Please fill out the registration form below and send it along with your check made payable to the Eastern Regional Conference, Churches of God. Seats will be assigned as checks are received. **Seating preferences will be honored as much as possible.**

If you have questions, contact Barbara Harris at the (717.652.0255) conference office or email: [barb@ercog.org](mailto:barb@ercog.org). Registration deadline is November 1, 2010.
