

Annual Conference Nominating Process

Hello ERC Family!

Good morning! I am reaching out on behalf of the Nominating Committee to request your help. Today starts the open referral period for our nominating process. We are asking you to prayerfully identify people equipped and called to be delegates for our Triennial denominational gathering, and/or for important roles in regional leadership. Below my signature is the list of spots we need names for.

To be considered individuals will need to do the following:

- Review the **instructions and guidelines** (available through the e-news)
- Download and answer the **questionnaire** (available through the e-news)
- **Submit the questionnaire** via email to the nate@ercog.org

Answers provided on the questionnaire should express how they personally demonstrate the qualities and values on the "guidelines" sheet provided by the committee. These individuals also should be members of a local Church of God – understanding that "membership" definitions vary across the region.

We will receive names from **November 15th, 2024 to February 15th, 2025**. Paper copies of the forms were also sent to each local church, and submittals via regular mail should be sent to: ERC Office, 113 South 2nd Street, Wormleysburg, PA 17043.

As you invite people to participate, please be sure to tell them what role you are recommending they consider, and encourage them to reach out to the nominating committee, or ERC staff with questions.

This is a new process, so we may encounter some bumps and we are grateful for your assistance and your patience as we learn to do this together. We are excited for how this can help us work more closely together as a region.

Blessings,
Nate
nate@ercog.org
(Executive Director, ERC Churches of God)

The Nominating Committee will need to select nominees for election to following roles:

- **2 Ad Council Members Credentialed/Pastoral (at least 3 names need to be on the ballot)**
